

To Parents/Guardians,

We will be using a number of “found” and “readymade” objects to explore portraiture, consumerism and environmental awareness through sculpture over the next several weeks. I was curious if you could help us out with gathering some of our material!

Materials Needed
Cardboard -> cereal boxes, shoe boxes, moving boxes, toilet paper rolls, paper towel rolls, egg cartons etc.
Used Garments & String -> outer garments and string/thread that you no longer have the need for. Shoes, shirts, hats, skirts, pants, ribbon, thread, string etc.
Junk -> anything lying around the house that you would define as junk!
Recyclable Material -> laundry detergent bottles, beverage containers, soap containers, newspapers, magazines, plastic bags etc.

- * Please do not go out and purchase any of the materials above! The purpose of these materials is that they are leftover from our daily routines as consumers.
- * Only non-perishable items, please rinse out any liquids so that we do not have a sticky mess!
- * Any contribution is welcome.

Thank you in advance for your participation in our art class! I appreciate your contributions, and look forward to seeing what your student will create.

Kindly,
Ms. Rempel
